Portal Access

1.1 Secure Sign-In Procedure

The image shows a web interface for the Uganda Management Institute (TMI) Student Portal. At the top, the TMI logo is displayed above the text 'UGANDA MANAGEMENT INSTITUTE'. Below this, a light blue button labeled 'Student Portal' is visible. The main content is a white 'Sign In' form. It contains two input fields: 'Registration Numbers' with the value '26/MMSPPM/KLA/AUG/004' and 'Password' with the value 'ku9itokr'. A checkbox labeled 'Remember me' is checked. A dark blue 'Sign In' button is at the bottom of the form.

The Sign-In interface provides a secure gateway for students to access their personalized academic environment.

To log into your account:

1. **Access the Portal:** Navigate to the designated DRIMS Student Portal web address via your web browser.
2. **Enter Registration Number:** Input your official school ID identifier into the Registration Numbers field (e.g., 26/MMSPPM/KLA/AUG/004) as shown on the screen.
3. **Enter Password:** Type your confidential security code into the Password field. You can click the visibility icon (eye symbol) to reveal or conceal the characters.
4. **Session Management:** Check the Remember me box if you are logging in from a secure personal device to facilitate quicker subsequent logins.
5. **To Complete Login:** Click the Sign In button to access your central student dashboard.

Central Dashboard

The Dashboard serves as the center for your entire academic research lifecycle.

2.1 Interface Breakdown

- **Academic Lifecycle Timeline:** Located at the top of the workspace in the image, this bar monitors your overall journey tracking metrics, complete with a Started date and an Expected completion milestone.
- **Status Report Component:** Displays your live workflow standing. It features your Current Status (e.g., normal progress) alongside a historical Previous Status tracer log and its duration (e.g., workshop).
- **Recent Research Requests:** A dedicated panel tracking any ongoing inquiries you've submitted to the UMI Admin. If you have no active logs ("No research requests yet"), you can click the Make a Request button to submit a request.
- **Direct Messages Panel:** A quick-glance panel summarizing recent communications with supervisors. Clicking Start Messaging or the View More button launches the integrated messaging system.

Status Action Tracker

Proposal

Dissertation

Selecting My Profile from your sidebar menu presents your primary account details and academic tracking matrix.

3.1 Research Timeline & Lifecycle Matrices

The Progress tab outlines your macro research trajectory:

- **Status Blocks:** Quick summaries tracking active allocations like your designated Supervisor(s), Current Status, and Total Time metrics.
- **Visual Progress Matrix:** A color-coded timeline tracking bar displaying your progression history through the journey milestones set by UMI.

3.2 Supervisor Directory

Supervisors

Name	Email	Phone	Actions
Dr. Demo Staff-3	joshuakim_q87mb@mailsac.com	N/A	View Supervisor
Dr. Demo Staff-2	joshuakim_zw8q8@mailsac.com	+256773271797	View Supervisor

The supervisor list illustrated in the image above reveals the academic experts officially allocated to your research:

- **Contact Information:** Displays the full Name, Email, and Phone Number details for each assigned supervisor.
- **Profile Verification:** Click the gold View Supervisor action button to view their profiles.

3.3 Academic Research Progress Sub-Tabs

At the bottom of your profile page is a dedicated sub-tab for managing research histories.

A. Status Action Tracker Tab

Status Action Tracker

Proposal

Dissertation

Status	Start Date	End Date	Duration	Status
Normal Progress	25/05/2026	Present	3 days	On track
Workshop	25/05/2026	25/05/2026	1 days	On track
Admitted	25/05/2026	25/05/2026	1 days	On track

As shown in the image above, this tab lists chronological transitions of events. It records the specific Status, Start Date, End Date, Duration in days, and system verification flags when you are on the right track in your postgraduate studies.

B. Proposal Tab

As mapped, this tab tracks your initial proposal submission. If no documents have been submitted to the school admins, the area displays a placeholder message: “Proposal Not Submitted”.

C. Dissertation Tab

As mapped, this tab tracks final dissertation milestones. It displays a placeholder message “No Book Grades Available” until books are submitted to the UMI Research Center.

Email	Phone Number
joseph5asiimwe@mailsac.com	+256773002744
Gender	School
Male	School of Business and Management
Campus	Department
Main Branch	Management

Logout Previous Step Next Step

As shown, this module confirms your student profile details provided under two sub-tabs:

1. **Personal Information:** Verifies read-only identity data fields populated by the UMI administration, including your Title, Full Name, verified Email, Phone Number, Gender, School, Campus, and Department.
2. **Course Application Summary:** Displays key academic registration metrics mapped directly under your unique Registration Number. When this tab is active, the system presents the following data fields:
 - Course: Displays your registered academic course name.
 - Academic Year: Identifies the current active academic period (e.g., 2026/2027).
 - Study Mode: Indicates your scheduling path.
 - Intake Period: Specifies the designated cohort entry month.
 - Program Level: Outlines the degree tier under evaluation.
 - Specialization: Lists your study focus area.
 - Completion Time (in Years): Tracks the official duration to complete the program.
 - Expected Completion Date: Provides the deadline calculated for graduation eligibility.

Communication & Request Tools

4.1 Integrated Direct Messaging System

Important Rule: Direct messaging inside the platform is strictly confidential and is only between the Student and their assigned Supervisor.

The communications workspace shown above centralizes dialogue with your research mentors:

- **Initiating a Conversation:** Click the vibrant blue New Message button to start a conversation.
- **Contact Sorting:** Use the integrated context Find a DM, by Name search box to quickly filter through your open conversation logs.

4.2 Research Request Panel

The screenshot shows the 'Submit Request' interface. On the left is a sidebar with the UMI logo and user information for Joseph Asimwe. The sidebar lists 'Main Activities' (Dashboard, My Profile, Research Requests, Research Clinic, Documents, Evaluations, Direct Messages) and 'Other options' (Settings). The 'Research Requests' item is highlighted. The main content area has a 'Back' button and a 'Submit Request' header. Below this is a 'Request Type' dropdown menu with the placeholder text 'Select request type...'. At the bottom of the form are 'Cancel' and 'Send Request' buttons.

When you need a formal way to send inquiries to the UMI school or research administrators, click on Research Requests from the sidebar menu.

Clicking the Select request type... dropdown provides the following avenues:

Option A:

This screenshot shows the form for a 'Change of Supervisor' request. It includes a 'Request Type' dropdown set to 'Change of Supervisor', a 'Current Supervisor' dropdown with 'Select...' as the placeholder, and a 'Reason' text area. The 'Cancel' and 'Send Request' buttons are at the bottom right.

If you select Change of Supervisor, the system updates to require parameters:

1. Current Supervisor: Use the dropdown menu to specify which supervisor you want to replace.
2. Reasoning: Write out a comprehensive explanation for your change request in the text field.
3. Dispatch: Click Send Request, or click Cancel to discard the request.

Option B:

Request Type

Other

Request Title

Description/Reason

Cancel

Send Request

If you select Other, the platform updates with the fields to handle miscellaneous queries:

1. Request Title: Enter a brief name outlining the objective of your petition.
2. Description/Reason: Write a clear explanation detailing the action you want taken.
3. Dispatch: Click the Send Request button to submit your query to administrators.

Document Management & Research Clinics

5.1 Uploading Research Documents

The screenshot displays the 'Documents' workspace interface. On the left is a sidebar with the 'TM UGANDA MANAGEMENT INSTITUTE' logo, user information for 'Joseph Asiimwe', and a list of 'Main Activities' including Dashboard, My Profile, Research Requests, Research Clinic, Documents (highlighted), Evaluations, and Direct Messages. Below these are 'Other options' like Settings. The main content area is titled 'Documents' with the subtitle 'Manage your research documents'. It features an 'Upload Document' form with fields for Document Type (a dropdown), Send to Supervisor (a dropdown), Document Title (a text box), and Description (a text area). Below these is a 'Select File' section with a dashed box containing a file icon and the text 'Upload a file or drag and drop PDF, DOC, DOCX up to 10MB'. An 'Upload Document' button is at the bottom of the form. To the right is the 'My Documents' ledger, which includes a search bar, a dropdown for 'All Documents', and a 'Refresh' button. The ledger currently shows 'No documents found' with a message to 'Get started by uploading your first document.'

The Documents workspace, as seen, provides a tracked repository for your work. You can upload new files using the sidebar panel, while your workspace records populate inside the My Documents ledger.

To upload a file:

1. **Define Document Type:** Click the Document Type dropdown and select from these categories:
 - Research Proposal
 - Dissertation
 - Chapter
 - Other
2. **Assign Target Recipient:** Use the Send to Supervisor dropdown selection field to pick which assigned supervisor needs to review the file.
3. **File Metadata:** Provide a descriptive name in the Document Title box and add supplementary details in the optional Description area.
4. **Attach File:** Drag and drop your file into the upload target area, or click the Upload a file hyperlink to select it via your system explorer (DRIMS accepts PDF, DOC, DOCX up to 10MB).
5. **Finalize Upload:** Click the Upload Document action button to log your file.

5.2 Research Clinic Bookings

The Research Clinic shown above lets you book advisory sessions to get guidance on your project.

To book a session:

- 1. **Identify Available Days:** Look through the Available Clinic Days card array to find an open date, checking the available times and slot counts.
- 2. **Trigger Booking Pop-up:** Click the Book Session button on your chosen date.
- 3. **Provide Notes:** In the Book Research Clinic Session pop-up wrapper, review the chosen date and add any specific questions into the Notes (Optional) text area.

- 4. **Confirm Allocation:** Click Confirm Booking to secure your appointment, or click Cancel to return to the calendar. Your appointment will appear in your personal My Bookings ledger.

5.3 Research Process Evaluations

The Evaluations dashboard shown lets you submit feedback regarding your satisfaction with different aspects of the research process.

1. **Available Evaluations Panel:** Holds active performance surveys assigned to your profile.

Important Rule: Evaluations automatically become available after proposal defense and viva completion.

2. **Completed Evaluations Panel:** Provides a permanent, archivable history of all your submitted feedback forms.
